

New York May 19th.
1843

I have just received your note about the Fair, and will attend to it as requested.

Please take off my name from the list; as I have retired from the anti-slavery cause altogether. I write promptly, because I would rather it should be quietly left off, than to have it inserted, and then taken off.

Mr. Child will probably be detained in Northampton two or three weeks longer, by the bankrupt process, auction, &c.

Yrs respectfully,

L. Maria Child.
